Hi Connor,

Could you please take a look at the narrative summary for Blades and make any revisions if necessary? If it looks OK, please let me know that also. HQ would like to have revisions sent to them by the end of next week.

Thanks!

Lorie

Subject: Any changes to narrative summaries for sites going final?

Attached are the narrative summaries from proposal for the sites that will be added to the NPL in September. Please take a look to see if there is any outdated or incorrect information and submit any updates by the end of next week. No need for any re-writes – please just corrections and updates. If there are no changes, please let me know.

Thanks.

Terry
